

## Corporate - & Average Product Carbon Footprint 2023

### Budenheim in Germany

For many years we have been actively and continuously working on reducing environmental and climatic impacts caused by our site.

We are part of the Responsible Care program of the chemical industry. Since 1996 we are certified according to ISO 14001 and since 2012 also according to ISO 50001. In addition, we have achieved the EcoVadis Platin Standard since 2022.
